RE-INVEST

1st RENEWABLE ENERGY GLOBAL
INVESTMENT PROMOTION MEET & EXPO
15 - 17 FEBRUARY 2015 • NEW DELHI, INDIA

IN PARTNERSHIP WITH

Confederation of Indian Industry

SUPPORTED BY

Today India stands fifth in the world in the overall renewable energy capacity installations with an installed capacity of 32,425 MW. Much of this growth has been driven by government policies and private sector investments. Some major policy incentives given by the Government, including accelerated depreciation, generation based incentive; feed in tariff and viability gap funding are expected to add massive investments in the renewable energy sector.

Going forward, India plans an ambitious renewable energy programme, targeting 15 per cent renewable energy generation by 2020. This trend is only expected to gain momentum.

One of India's major advantages is that India's renewable energy potential is the envy of much of the world. The Government is aiming to add about 100,000 MW in the next 5 years which gives an investment opportunity of US\$ 100 billion.

Objective

The objective of this meet is to project India as an investment destination for renewable energy and attract and enhance investments in the Indian renewable energy sector from US\$ 6 Billion (₹ 36000 Cr) a year currently to US\$ 20 Billion (₹ 120000 Cr). This meet will give an opportunity to all states to showcase their policy initiatives, progressive stand and investor friendly climate to attract investments in renewable energy.

About the Meet

To showcase India's renewable energy potential globally, the Ministry of New and Renewable Energy (MNRE), Government of India in partnership with Indian Renewable Energy Development Agency Limited (IREDA), the Confederation of Indian Industry (CII) and the Federation of Indian Chambers of Commerce and Industry (FICCI) is organizing the Global Renewable Energy Investment Promotion Meet (RE-INVEST) from 15-17 February, 2015 as a follow-up to the 'Make in India' initiative launched by Hon'ble Prime Minister of India. It is the first ever initiative from the Government of India to initiate and catalyze investments for the renewable energy sector and work towards making India the new investment destination in this space.

RE-INVEST will enable the global investment community to connect with the renewable energy stakeholders in India. The event is expected to be attended by over 200 investors, both domestic and international. Besides, representatives from state governments, public sector enterprises, renewable power developers and manufacturers, state renewable energy nodal agencies and other related stakeholders will also play an important role. Over 1000 delegates are expected to attend this meet.

This meet will create awareness about the potential areas of investment in the Renewable Energy sector and will facilitate promotion of leading states as an excellent destination; one to one meetings for setting up of joint ventures in the Renewable Energy sector; provide an opportunity to Indian Renewable Energy manufacturers to showcase their products and technologies and enhance their competitiveness.

The plenary session of this meet is proposed to be inaugurated by the Hon'ble Prime Minister of India on 15th February, 2015 and will be addressed by high level national and international dignitaries. Over the next two days the summit will have series of Technical, Breakout and Policy Sessions.

Apart from the Conference and Technical Sessions, a large trade show is also planned as a part of this event wherein manufacturers, promoters and developers from more than 300-350 companies and organizations from India and abroad will showcase their manufacturing capabilities and latest technologies. It will be one of the largest business-to-business and business-to-government exhibitions ever held in the renewable energy space in India.

As a run up to the main event, there will also be road shows in key states and international locations as there is a need for international investments in the development and revamping of renewable energy in the states. It is thus critical for the states to showcase their investor friendly policies to the international investors.

Seminar Language

The official language of the Meet is English. No translation services will be provided by the organizers. However, participants are free to make their own arrangements for the same.

Speakers

Eminent speakers from Government, Industry, Experts and Financial Institutions will share their knowledge and expertise through keynote addresses, presentations, panel discussions and case studies.

Programme Outline

The plenary session is proposed to be inaugurated by the Hon'ble Prime Minister of India on 15th February, 2015 and will be addressed by high level national and international dignitaries.

The sessions will include sector-specific granulated discussions for a better understanding about policies, incentives, compliance norms, time lines and other practical requirements. State specific sessions are planned to showcase the attractive policy incentives and guidelines framed by the Government of India and various State Governments for promotion by grid connected renewable energy in India.

DAY 1: Sunday, 15 February, 2015

Venue: VIGYAN BHAVAN

- 10:30 – 12:00 Hrs Inaugural Session*

* Tentative

DAY 2: Monday, 16 February, 2015

Venue: HOTEL ASHOK

- 09:30 – 11:00 Hrs Plenary Session:
India-The New Investment
Destination for Renewable
Energy
- 11:00 – 11:30 Hrs Tea Break
- 11:30 – 13:00 Hrs Showcase of Policy initiatives
by 3 states (To run concurrently)
- 13:00 – 13:45 Hrs Lunch
- 13:45 – 15:15 Hrs Showcase of Policy initiatives
by 3 states (To run concurrently)
- 15:15 – 15:45 Hrs Tea Break
- 15:45 – 17:00 Hrs Financing renewables
(2 sessions to run concurrently)
- 19:00 Hrs Onwards Cultural Program and Dinner

DAY 3: Tuesday, 17 February, 2015

Venue: HOTEL ASHOK

- 10:00 – 11:30 Hrs Technical Session
(2 sessions to run concurrently)
- 11:30 – 12:00 Hrs Tea Break
- 12:00 – 13:30 Hrs Showcase of Policy initiatives
by 3 states (To Run Concurrently)
- 13:30 – 14:30 Hrs Lunch
- 14:30 – 16:00 Hrs Off-Grid Power (2 sessions
to run concurrently)
- 14:30 – 16:00 Hrs Business to Business
Meetings/sponsored side
events by partner countries
or companies
- 16:00 - 17:00 Hrs Valedictory Session

One to One Meetings

Besides participating in the Meet there will also be an opportunity for one to one business meetings within the premises. Arrangements of such meetings will be made on an advanced request from the concerned participants.

Registration

Pre-registration is required before DATE and can be done either via RE-INVEST website (www.re-invest.in) or by contacting the following officials:

- CII- surender.rai@cii.in
- FICCI- vikram.kotru@ficci.com

Delegate Participation Fees for Conference

Type of Space	Fee
Indian (₹)	7,000/- (Seven Thousand only)
Overseas (USD \$)	200/- (Two hundred only)

*Delegates from the Government of India (GOI) and State Governments will not be charged any delegate fees. However, delegates from public sector undertakings will have to pay delegate fee.

- 10% discount for 3 or more delegates representing the same organization.

Exhibition

RE-INVEST will have a large exhibition of manufacturers, project developers, investors and other players in the renewable energy space to showcase India's manufacturing capabilities and latest technologies to provide an idea to foreign investors about the potential areas of investment in the Renewable Energy sector. International companies in the renewable energy space from different countries will also have the opportunity to exhibit and showcase at the Expo to a wide Indian audience.

Why Exhibit

- Position your organisation as an important player in the Renewable Energy space
- Present your organisation to a highly internationalised audience focusing on investments in the sector
- Increase your brand's recognition
- Enter into new markets and get in touch with representatives of national and international companies
- Build strong and competent networks across the regions
- Set the basis for improved business opportunities
- Develop new business relationships and gather business leads.

Focused Sub-Sectors

Solar; Wind; Bio Energy; Small Hydro;
Geothermal; Ocean Energy
(Tidal/Wave)

Registration/Participation Fees: Exhibition

Type of Space	Bare Space / per sqmtr (minimum 27 sq.mtr)	Shell Space (Constructed stall)/per sq.mtr (minimum 9 sq.mtr)
Indian (₹)	13,000* (Thirteen Thousand only)	15,000* (Fifteen Thousand only)
Overseas (USD \$)	300* (Three Hundred only)	350* (Three Hundred Fifty only)

*Service Tax @ 12.36% will be charged on the total space opted for

- Due to limited availability space, stalls will be reserved on a first-come-first-serve basis on receiving the payment
- Bare Space is empty/raw space, where the exhibitor is free to construct as per requirement
- Shell Space will include - completely built-up, laminated and carpeted stall measuring 9 sqmtr with company fascia, 2 chairs, 1 table, 4 spotlights, wastepaper basket and electrical points.

Who Can Exhibit

Assessment, Feasibility and Forecasting Service Providers; Boiler, Turbine, Generators Manufacturers; Components Manufacturers; Consultants & Certification agencies; Electrical & Electronics Item Manufacturers; Electrical, Mechanical, and Civil Contractors; EPC and O&M Contractors; Equipment Manufacturers; Forecasting agencies; IPP; Module Manufacturers and Suppliers; Plant Solution Providers; Project Developers; PV Equipment manufacturers and suppliers; R&D Firms; Solar Farm Developers and owners; Solar Lighting Products, Pumps and Systems; Solar Thermal - Solar Tracking Technologies and Products; Supplier and Manufacturers of Materials; Suppliers, Components & Service Providers; System Integrators; Technology Providers; Turnkey Solution Providers; Wind Farm Developers and Owners; Wind Monitoring and analysis systems suppliers; Wind Turbine Manufacturers.

Who Can Participate (Conference & Exhibition)

Ministries and High level policy / decision makers; Renewable Energy Associations and Industry leaders; Government Agencies; Project Developers; Technology Developers; Energy Consulting; Research Scholars / Fellow and Academics / R&D institutions; Equipment Manufacturers; Green Power Providers; Media; International Financial Institutions; Banks / Financial Services Providers; Private Equity Players; Venture Capitalists; Industry end-users; Institutional end-users.

Mode of Payment:

Payment in Indian Rupee (₹):

► BY CHEQUES DRAWN IN THE NAME OF:

Name: RE-INVEST 2015
Account Number: 602001011004403

Post it to the following address:

For Delegate Participation Fee

Mr. Surender Rai
Confederation of Indian Industry
The Mantosh Sondhi Centre, 23, Institutional Area,
Lodi Road, New Delhi, 110003

For Exhibition Participation Fee

Mr. Vikram Kotru
Assistant Director – Environment, Climate Change,
Renewable Energy
Federation of Indian Chambers of Commerce
and Industry (FICCI),
Federation House, Tansen Marg, New Delhi – 110 001

► BY ONLINE TRANSFER

BY BANK TRANSFER NET OF CHARGES TO BENEFICIARY:

Name: RE-INVEST 2015
Account Number: 602001011004403
IFSC Code: VIJB0006020
Bank: VIJAYA BANK
Branch: Bhikaji Cama Place,
New Delhi – 110066

Payment in USD \$:

► BY BANK TRANSFER NET OF CHARGES TO BENEFICIARY:

Name: RE-INVEST 2015
Domiciliation: 3rd Floor, August Kranti
Bhawan, Bhikaji Cama Place,
New Delhi - 110066, India
Bank: VIJAYA BANK
Branch: Bhikaji Cama Place,
New Delhi - 110066, India
IBAN: 602001011004403
BIC (Swift): VIJBINBBRFC
IFSC Code: VIJB0006020

* The fee amount to be paid is net of bank transaction cost. If any, please add the cost to the payable amount.

- Meet registration will be confirmed on receipt of the fee payment.
- Meet registration is on first come-first served basis.
- Deadline for registration for the meet and the Exhibition is: Friday 13th February 2015 for participation as a delegate and Friday 30th January 2015 for exhibition registration
- An invoice can be sent upon request.
- Details of cancellation policy available on the website.
- Such refund will be net of cancellation and remittance charge, as may be applicable.
- Remittance details to be provided for confirmation of fee payment.
